ADDENDUM 1

DATE ISSUED: NOVEMBER 17, 2009

PROJECT: City of Ione City Engineer Services Request for Qualifications

SUBMITTAL DATE: TUESDAY, DECEMBER 22, 2009 AT 2:00 P.M.

This Addendum is issued by the City to all known parties who hold Request for Proposal (RFP) for above listed project.

This Addendum shall become a full part of the above named RFP as if included and shall supersede and supplement all portions of the original RFP dated October 21, 2009 with which it conflicts.

Each and every party shall be responsible for reading each and every item in this Addendum to ascertain the extent and manner it affects the work in which interested in.

Here are the following changes to the RFP for the subject project:

GENERAL INFORMATION

Lee & Ro Engineering will continue to provide wastewater engineering services, including project management and construction management, for the draft City's Wastewater Master Plan and the final project.

The intent is for the City Engineer to work with Lee & Ro on the project when necessary. However, Lee & Ro is the lead.

SCOPE OF SERVICES

The engineering services provided to the City include but are not limited to the following:

- ❖ Prepare plans, specifications, and estimates for various capital projects including:
 - street construction, reconstruction, and maintenance
 - sidewalk, curb, and gutter construction and replacement
 - sewer collection system construction and replacement
 - storm water system improvement and maintenance

- ❖ Providing technical assistance to the City Planning Department in the preparation of CEQA/NEPA documents for various capital projects and developer projects. The City Planning Department is the lead in preparing all CEQA/NEPA documents for the City.
